TWENTIETH CENTURY UNLIMITED
LEAVE 1950 ARRIVE 1951

Heralded by wisps of frothy smoke and the din of clanging bells, the Twentieth Century Unlimited is once again determinedly puffing toward its terminal, the Buchanan High School.

Early last fall the train journeyed to the Land of Knowledge where each student-passenger chose an expertly guided tour that appealed to his individual interest. Since the tours offered so many new and interesting experiences, the students chose to continue them until spring.

Although having fully enjoyed their stay, the eager passengers are now happily anticipating arriving home.

Recorded in the pages following are the activities of both passengers and crew while visiting the Land of Knowledge.

A TRAIN OF THOUGHT

A train of thought comes puffing 'round the bend,
Its metal casing bearing work-wrought scars,
And frothy, snow-white foam escapes in jets,
Enveloping the bruises by its screen.

The first car brims with overpowering love,
The second lurches drunkenly with hate,
The third car issues mercy's soothing balm,
The fourth screams scornfully at fellow cars.

The engineer is anxious for his train,
Each car must bear a load of precious worth,
Alert, he changes hate for tolerance,
Replacing selfish pride with humbleness.

The wheels click throbbingly with quickening pace,
The journey for this train has just begun,
The depot? past the Hills of Prejudice,
The terminus? a Rendezvous with Life.

Dora Lee Kohn

The Pine Staff, as a representative of the Senior Class of 1951, wishes to thank the Annual Staff advisor, Mrs. Margaret Snyder, the teachers and students of Buchanan High School, and all those who, in any way, had a part in making this annual possible.

The Senior advisors have successfully assisted The Big Wheels along their final journey to the Land of Knowledge from the Buchanan High School.

Mr. Earl Rizer was in charge of arrangements for the Senior cruise and all graduation details. As assistant advisor, Mrs. Margaret Snyder has acted as supervisor of numerous activities.

Advance Schedule for 1961

BILL BATCHELOR'S shy smile has won LEE ROTT'S heart. They will be married as soon as LEE decides to give up instructing her men's dancing classes.

HAROLD LURHSEN and HAROLD WAGNER are pitted against their old classmates RICHARD VIRGIL and GORDON FORBES for the world title in tag team wrestling.

CHARLES PATE and RAY NELSON have made history! They have just completed their new book called "History" or "Put the Gangplank Down Pa, Columbus Made It!"

BETTY WOMACK is co-starred with JACK BITTINGER in the current production "Just One Kiss". ED HARTMAN is the sound-effects man.

KATHLEEN HUBBARD and DANNY MITCHELL have formed a corporation in the iron and steel business. DANNY irons while KATHLEEN steels.

PAT BROMLEY is doing a thriving coal business. She is supplying coal to the army camps in Alaska.

DORA LEE KOHN and JIM RENBARGER, co-editors of the Annual, did such a good job on our annual that they were hired to edit a new book entitled, "You Know It Too?" in 87 different languages!

JO ANNE RUSSELL has worn out 3 cars making trips between Niles and Buchanan.

LORRAINE YOUNG is the very popular secretary to BOB BEAVER, the famous psychiatrist.

Heavy-weight fighting champion, LUMAN GRANGER, and his successful manager, PAUL SEKAN, recently put on a superb performance at Memorial Field.

JESSIE GEARY and JANIS FENN have a thriving business on their busline between Buchanan and Dowagiac.

MARY VAN ANTWERP is now in the "Brewery" business.

ALLENE FERRIS has just won first prize in a national contest for the reddest hair. The prize was a bottle of guaranteed peroxide.

DICK RAVISH has accepted a position as principal of Buchanan High. DEVON OCHENRYDER is his capable stenographer.

MARILYN HEWITT married a "fair-man" for "just causes."

VIVIAN HUSTON has just returned from a Mexican trip which was started immediately after commencement in '51. She'll "grant" us she had a wonderful time.

JAMES HENSON has been awarded a gas pump as a symbol of his diligent work at Hygrade's.

MARION STONER won first prize in a national contest for his maiden blush . . . apples.

DALE WILCOX set up his own gym and is giving muscle training free of charge to all his *cash* customers.

DICK MARSH has invented an amphibious motor-cycle which was tested on the English Channel. "Many brave hearts are asleep in the deep!"

JERRY MOULDS ruined his reputation as horse doctor in Buchanan, the day he mistook a farmer's *bull* for a horse.

NORMA RAVISH and CAROL SHREVE are in charge of the WAC's communication system between the WACs and the Army. They have been reprimanded for using their machines for other than business purposes.

WESLEY LEAZENBY and EUGENE STINEBECK are the owners of the famous drive-in grocery stores all over the country under the name of Growing Groceries. They hope to add a chain of restaurants to their holdings, eventually.

GLORIA SCHMALTZ complains everyone insists on spelling her name "Schultz" instead of Schmaltz.

EVA DAVIS, who just wrecked her tenth and last Cadillac in the past month, has gone bankrupt because the insurance companies refused to sell her insurance.

DON SMITH, otherwise known as "Run Along, Never

Stop," is going to hire FRED ALTERGOTT as the trainer of his horse, "Jump Along, Stop Awhile." DON and his horse just can't seem to stay together.

CHARLENE NEHRING'S sailor has just come into port. Anchors Aweigh!

BARBARA CHILSON, now employed at Clark's, is working on a rubber umbrella invention. The idea of the invention is to have the rain bounce off the umbrella without getting the umbrella wet.

DONNA ALBRECHT and BARBARA ZELMER devised their own recipe for apple-jack flavored after-dinner mints. They enjoyed "testing" their recipe many times.

EUGENE SCAMEHEORN is the very efficient announcer working with his old classmates SUZANNE MULLEN and BILL MOTTLE in the daily radio drama, "True Love." The rival in the production is LYNN WATSON.

FRANKIE LOWERY and NANCY FISHER are playing on the American League All Girls Team. The games they play include basketball, baseball, speedball, and tiddly-winks.

JACK RUNYAN is playing football with the All-Stars until Jack, Jr. is able to fill his shoes.

MARIETTA VANDENBOSCH is the head nurse of Mercy Hospital in Buchanan. It has been given that name because the patients keep yelling "Mercy!"

DOLORES HINES, now with Billy Rose's chorus line, is dancing in her former home town, Sault Ste. Marie, Michigan. She complains that it's rather hard to dance in a snow suit and snow shoes.

EARL DITTO, the multi-millionaire manufacturer, recently placed on the market a new type "ditto" machine. 1,000,000 machines were sold the first day.

MAYNARD EWERT finally released his theory of theories. Competition for Einstein, maybe?

JACK HAMILTON was tried and found guilty of writing love letters (perfumed, at that) to Mr. Dean. His last statement was, "I guess I should have been a writer for True Confession Magazine!"

TONY ROSETTO, FRED WILLIAMS, and JIM TOPASH are having much success with their Anti-Women League. They'll change their minds sooner or later, though.

BOB ORPURT is the great orator we always knew he would be. His ghost-writer and traveling companion is DOYLE NESSON.

DOLLIE SEBASTY and JANE SAMSON have formed a division of 4H. They have limited the attendance at their meetings . . . men only.

VERNON SHANER and BOB QUICK, who are now in the U.S. Army, were recently promoted to mess sergeants. They are still on K.P.

NOLAN SPAULDING, who is now conducting the Philharmonic Orchestra in New York, has devised a new method of drying diapers. The diapers flap from his baton during rehearsals.

Due to the culinary experiments of LUCILLE BACKUS and DOROTHY SAMSON as head chefs of the Congressional dining room, Congress has recessed for two days while the members recuperate.

DORENE WEAVER is still grieving over the loss of the little "yellow bird". After 10 years she admits her Rolls-Royce still doesn't compare.

NANCY HANOVER is rapidly rising to stardom as the speed demon of the roller derby team, "The Rolling Rocks."

DON MITCHELL is rapidly going up in the world—up a ladder to put up television antennae.

And I, my friends, after many long evenings of work at B.H.S. have been rewarded by the offer of the night janitorship.

JUNIORS

Under the expert guidance of our two worthy advisors, Miss Flanigan and Mr. Elbers, the Juniors of '51 spent a very happy and successful year. Our class officers: Jack Schultz—President; Gordon Cease—Vice-President; Joanne Proud—Secretary; and Beverly Shaver—Treasurer, led us jauntily on to our Senior year. Our saucy little gossip-getter, Yvetta Bowling, set many interesting facts forth regarding the Juniors in our *Buckhorn*. Our Student Council representatives, Gerrie Hubbard and Jerry Pierce, proved to us that they were wisely elected. Two facts of which we are very proud are that Patt Quinn held the office of Vice-President of Student Council, and Nancy Dokey was Editor-in-Chief of the school paper.

This year we started a new project—our Holiday Hop, held December 29, at Moccasin School. It was a semi-formal affair attended by students in

grades ten through twelve and alumni. We are hoping that it will be an annual affair hereafter.

The two big high-lights of our year were presenting our play, "The Bees and the Flowers", a two act comedy, directed by Mr. Elbers, and receiving our class rings shortly before Christmas.

Our class was well represented in music, athletics, and many other extra-curricular activities. We are proud of the fact that the Spanish Club was made up entirely of Juniors, and that Gordon Cease, Bill Hunt, Raymond Howe, and Ralph Mitchell were members of our Debate Club.

After the Niles-Buchanan basketball game, we sponsored a dance, the proceeds of which went to make a successful prom for our Seniors. This gala event ended our Junior year.

To start the year "on the right track" we elected class officers. Into the President's office we put Richard Biestle; with Harold Pendley as Vice-president; Harold Forburger was elected Secretary; and Dale Schrag was appointed to the job of taking care of the money. Beverly Burrus and Kay Huebner acted as class reporters while Corbin Detgen and Chuck Spangler were chosen to represent the class in Student Council. Imogene Renbarger was elected Secretary of the Student Council and later on Secretary of the Co-operative Association of the Southwestern Michigan Student Councils.

On September 29 our class sponsored a dance after the South Haven football game. It was chaperoned by Mrs. Weaver and Mr. Heezen, 10th grade advisors. The class donated records to the

school and these were played for the first time at our dance.

Our class is very well represented in extra-curricular activities such as band, glee club, G.A.A. and orchestra. Many boys have gone out for football, basketball, or other sports and have made a good showing in them. Some have received varsity or minor letters.

The Latin Club, which is composed entirely of Sophomores, sponsored a dance after the Three Rivers basketball game. We did this for the purpose of raising money for our page in the Annual.

The class has had a very interesting and enjoyable year and we are looking forward to our Junior year.

The Big Blows

FRESHMEN

This year we started out with enthusiasm because we had finally become students of Buchanan Senior High School. At our first class meeting, with the help of our advisors, Ray Miller and Mrs. Kingsbury, we elected class officers. Our President was Ralph Anderson, who presided at the business meetings; our Vice-president was Ramon Sexton, who took over the president's job when the latter was absent; our Secretary was Nancy Lozicki, who took notes at the meetings; and our Treasurer was Charles Nichols, who kept track of our "treasures." Those elected to the Student Council were Mary Ann Haag and Landon Womack, who represented our Freshmen Class very well. Sara Marrs kept the account of our comings and goings up to date in

the *Buckhorn*. Nancy Lauver was elected Treasurer of the Student Council. Rolanda Brado and Marian Baker, our cheerleaders, led the yells for our team.

Different extra-curricular activities participated in by the Freshmen were: Library Club, Band, Orchestra, Glee Club, Camera Club, Future Farmers of America, Girls' Athletic Association, and *Buckhorn* Staff. These clubs were greatly enjoyed by the Freshman Class of 1950-1951.

Our class sponsored a dance and held a class party, both of which were successful. We had Freshman football and basketball teams which did fine jobs. At the close of this school year, we feel that we have completed a very successful first year in Senior High School.

In September we elected as our headman, Janis Sexton with Lee Fisher as her assistant. Sharon Forthman took the minutes at our class meetings and Jackie Long took care of what money we had. We were represented very well in the Student Council by Sally Schultz and Donald Dreitzler. We appreciated very much the articles in the *Buckhorn* about us which were written by Betsy Hunt and Larry Phoenix.

Our Cheerleaders, Sharon Forthman, Betty Arnold, and Jo Anne Hushower led us while we cheered for our "Muscle-men" in basketball. Those participating on the team were: Larry Phoenix, Jim Letcher, Jim Conrad, Gerald Miller, Dale

Dellinger, Lee Fisher, Richard Coonfield, Wayne Nichols, Harry Mitchell, and Donald Dreitzler.

The chorus line for the Music Review was chosen from the eighth grade. It was composed of Jackie Long, Monti Sue Wiggins, Joy Florey, Joy Holston, Norma Dokey, Betty Remington, Sharon Forthman and Jo Ann Hushower. The girls did a very good job.

We had three Junior High parties in the gym where we had games and square dancing.

We wish to thank our advisors, Miss Hargis and Mr. Decker for their fine job in guiding us. Altogether our year was very successful and we are looking forward to more successful years to come.

THE SEVENTH GRADERS

During the school year we had a class meeting once every two months. The class officers were: President—Ann Faulkner, Vice-President—Joan Roland, Secretary — Joan Sekan, Treasurer — Dorcas Mayer. At our meetings we had reports from the Secretary, the Treasurer and the Student Council members. The Student Council members were Sonia Spaulding and Larry Harbaugh.

Our seventh grade also had a basketball team that played other schools after school hours. The cheerleaders were Mary Ann Shogren and Patsy Coleman.

We had class reporters for each of the three sections. They wrote up the seventh grade news which was put in the "Buckhorn". The reporters were: Section 1—Fred Hankerson, Section 2—Jane Williams, Section 3—Lorraine Sigle.

The girls of the seventh had a home ec. club.

Half of the girls had a club the first semester; the other girls had their club second semester. The first semester club had a Christmas party and the second semester club had a Valentine party. The club also had officers. The first semester officers were: President—Mary Ann Shogren, Vice President — Sandra Zimmerman, Secretary — Lorraine Sigle, Seargent of Arms — Sandra Raven, and the second semester officers were: President—Patsy Coleman, Vice President—Marlene Thomas, Secretary—Jeannine Collings, Seargent of Arms—Sonia Spaulding.

At the end of the year the seventh grade had a party and had a wonderful time.

We would like to say "Thank you" to Mr. Bailey, our advisors, Mrs. Fisk and Mr. Burkett, and all the seventh grade teachers, for a wonderful year.

This year the Pines staff consisted completely of amateurs; so, under the supervision of Mrs. Snyder, we rolled up our sleeves just a little bit higher and dug into the work just a little bit harder than the Pines staff in former years.

The theme "A Little Train Coming from the Land of Knowledge to the High School" was suggested by Dora Lee Kohn.

At the beginning of the year, to promote sales, the staff presented an assembly to the student body. This included a skit depicting the reading of the last will and testament of J. P. Plushbottom, a commercial trio singing a song about our annual, a chorus of dancing girls and boys, while the trio sang, and an "Annual-test" showing the differences between our superior annual and one which was published by another school.

The staff wishes to thank Dean-Hicks, printers and engravers of Grand Rapids, Michigan, George Smith, our chief photographer, and Mr. Bailey for the help all gave. The staff also wishes to thank

the members of the Junior class, Connie Converse, Ralph Mitchell, and Graydon Hanlin who gave such able assistance to the 1951 Pines staff.

With the 1950-51 season, our school paper entered its seventh year of publication. Under the guidance of our faculty advisor, Miss Hargis, the

Buckhorn staff published an issue every other week of the year, with special editions at Thanksgiving, Christmas, and Easter. A subscription-selling campaign was held at the beginning of the first and second semesters to determine a bi-monthly paper distribution list.

On January 26, the staff sponsored a dance after the South Haven game. A net profit of \$54.00 was made. This money helped to pay for the paper and materials used in publishing our school paper. The Student Council and the *Buckhorn* funds are combined and all bills are paid from this fund.

This year the *Buckhorn* was entered in the Columbia Scholastic Press Association Contest, in New York City which is sponsored by Columbia University. A copy of each issue of the paper was sent into the contest to be judged. The papers were judged on the basis of the best planned paper and the size of the school. As yet, the result of this important Press Contest is unknown.

The Literary Critics

VELMARIAN LITERARY SOCIETY

The Velmarian Literary Society is under the advisorship of Mrs. Margaret Snyder, head of the English department at Buchanan High School. The officers of the year are: President, Dora Lee Kohn; Vice-President, Marilyn Hewitt; Secretary-Treasurer, Kathleen Hubbard; Reporter, Jim Henson; Literary Critic, Betty Womack; and Librarian, Jo Anne Russell. Our business meetings are held on the last Friday of each month.

The purpose of this society is to further literary appreciation. This has been done in many ways. We have added to our library a number of selections from the Book of the Month Club. During the year we attended several stage plays, one of which was "Death of a Salesman". A literary contest, open to grades seven through twelve, was held in February. The results will be announced at

Honor Convocation and awards presented. The Velma E. Dunbar Plaque will be awarded to the Senior high school boy or girl, at that time, whose literary work excelled. The name of the student will be placed on the plaque with the names of the winners of previous years, and the plaque will be displayed in the lower halls. This award is in remembrance of a teacher who did much to further literary interests during her teaching career.

The activities of the Vel. Lit. were not all confined to literary interest. At Christmas a basket of food was presented to a needy family. A candy sale was held on Valentine's Day, and later in the year a dance was held to raise funds for the treasury. These and all the activities throughout the year have made the year a most successful one.

The Government Officials

STUDENT COUNCIL

The organization which presented the student body with entertaining assemblies and reverent chapel services throughout the school year is known to everyone as the Student Council. With Jack Runyan—President, Patt Quinn—Vice President, Imogene Renbarger—Secretary, and Nancy Lauver—Treasurer, the council had a very successful year. The other "heads" were made up of two representatives from each class of the junior and senior high school, the editor of the school paper, and, as of this year, the president of the Youth Council.

At the first meeting of the Cooperative Association of the Southwestern Michigan Student Councils held in Niles, our own Jack Runyan and Imogene Renbarger were elected president and secretary of the organization. Four other C.A.S.M.S.C. meetings

were held during the year.

The local Student Council sold Christmas seals, the proceeds of which were given to the Tuberculosis Association. Together with the Youth Council, the Student Council sponsored the annual May Queen Dance, held April 27, to raise money for the assemblies and activities they sponsor during the year. Under the fine direction of Mr. Robinson, the council also prepared a Niles exchange program.

The council has selected three very interesting, as well as educational, paid assemblies for 1951-52. The programs selected for this year included the Dutton Trio, Marimba artists, Otto Schact, soloist and lecturer, and Colonel Davies, a British lecturer, who spoke on Our Democratic Way of Life.

Toward the first of the year, the Muchos Amigos, our Spanish Club made up of entirely of Juniors, elected Ralph Michell, as "El Presidente", Rita Rotzien, "El Vice-Presidente", and "El Secretario-Tersarero, Patt Quinn. We decided to have our meetings the second Wednesday of every month.

Throughout the year we quizzed ourselves on the short articles in our text books to further our Knowledge of the Spanish people and their way of living. We sponsored a dance which was a great success. This year we did not present the annual Spanish program as the class was too small.

Our meetings were also handled by a special program committee which was appointed by the "El Presidente" at the beginning of the school year. The meeting consisted of a business meeting followed by various games, stories, and entertainment

presented by the committee. The second half of the meeting, while being entertaining, was quite educational since the games were of Spanish origin. Mrs. Weaver also told us many interesting facts about the Spanish people from her experiences and travel in Mexico. Movies were shown to us on life in Spanish towns, the garb of the people, and their customs.

Muchos Amigos means many friends. As our name indicates, our club membership consists of twelve congenial members who have enjoyed their Spanish Club very much and are looking forward to Spanish 11 next year. Mrs. Weaver, our advisor, with her patience and wit has made this year a happy and successful one.

This is the fifteenth year of the Legio Decima our Latin Club, composed of only second year students in Latin. The name "Legio Decima" means "the Tenth Legion" which was a favorite legion of Julius Caesar when he was in conquest of Gaul, and the only legion made up of outstanding Romans on whom he could depend.

We elected Harold Forburger, Consul, Janet Beck, Pro Consul, Janice Stubbs, Scribe, and Joanne Forthman, Reporter, for our various activities.

At Christmas time we contributed to a Christmas basket which was given to a needy family. Our club also sponsored a dance after a home game. In March we all entered the National Latin Examination which comes every year. The students compete with other students all over the United States for honors. In May we made our annual visit to

Notre Dame campus and the cathedral, and our guide was Brother Boniface.

Other activities include a Latin Club meeting every month with Mrs. Weaver, our advisor, presiding over the business meeting, and a committee of two people presenting entertainment of Latin origin.

Awards of sterling silver keys are made to the three outstanding members of the class.

Our special project for the year was the rental of "The Last Days of Pompeii", a movie based on the book of the same name.

On March 9, we won first place and the trophy at the State Federation of Junior Classical Leagues at Lansing, Michigan for presenting the best skit along classical lines.

The Farm Laborers

FUTURE FARMERS OF AMERICA

The Future Farmers of America is a national organization for boys taking vocational agriculture in high school. The membership of this organization in Michigan alone is 8,000. There are thirty-five members in the Buchanan High School chapter. Since the beginning of the school year we have had over 14 major activities plus our regular meetings. During the noon hour we sponsor a recreational program in the Agriculture Room, consisting of pingpong, checkers, and cards. We have three basketball teams which engage in intramural competition.

Every year the chapter has an apple judging team that travels to Grand Rapids for the State Apple Judging Contest. This year the team members were Marion Stoner, Ray Nelson, and Bill

Koenigshof. The team placed first in the state, with Marion Stoner placing third in the state for individual judging.

At the county judging contest this year, which was held at Berrien Springs, we rated first in apples, second in potatoes, and fourth in grain.

Another activity was the Agriculture Fair held October 12-14 in the Youth Council building. The F.F.A. has planted much of the shrubbery on Memorial Field in exchange for the privilege of selling refreshments at the football games. Those responsible for the year's program are: President—Nolan Spaulding, Vice President—Jim Henson, Treasurer—Marion Stoner, Secretary—Bob Cline, Reporter—Jim Hall, Sponsor—Mr. May.

The Train Mechanics

MACHINE SHOP

The Trade School of Buchanan High School is open to all boys from the Sophomore to the Senior year. The Trade School course is composed of three hours daily from 12:30 to 3:30. Three hours a week are spent on related subjects such as mathematics, blueprint reading, and shop theory. Films are shown on various subjects which include the use of cutting tools and precision gauges, and types and hardness of metals. The other twelve hours a week are spent in laying out a job, setting it up on a machine, and making it into a finished product.

The students in Trade School take field trips around and out of town to various companies. Once every two years they visit the Museum of Science and Industry in Chicago.

When one has completed two years of Trade

School he may apply for a job, such as an apprenticeship at the Clark Equipment Company, or as a machine operator at Hubbard Tool and Gage or the Buchanan Steel Corporation.

Several boys have already applied for and received apprenticeships at the Clark Equipment and other companies. They are now working under the Co-op Training Program which is also directed by our instructor, Mr. Runkewich.

This year's class consists of fourteen boys interested in definite trades. Trade School helps to develop these trades and prepare the boys for apprenticeships. During his apprenticeship the boy attends class one night a week at school to further his knowledge of the job in which he is interested.

The Library Club is another one of the service clubs in school. When a student is in doubt about where to find a book or what book to report on, the librarians are always ready to help him.

We have had an enjoyable and eventful year under the supervision of our new librarian, Miss Clark.

The Library Club presented a Book Fair November 6-10 to commemorate Book Week. The Grade Faculty was asked to look over the large display and order books for their classroom libraries. The High School Faculty chose books for classroom work and also made recommendations for the High School library. These included a large variety of fiction and non-fiction books of interest to the students. A Christmas party was held during noon hour to exchange gifts. A dance was sponsored in

February.

The library force, twenty-six in number, worked very hard to prepare three hundred new books for circulation, and to draw up a new constitution stating the rules and purpose of the club.

Our officers for the year have been Barbara Chilson — President, Jeri Spaulding, — Vice President, Joan Lewis—Secretary, Dorene Weaver — Treasurer, and Lois Henson—Reporter.

Each student receives one fourth credit per year for two hours of library work a week. A student that works his four high school years thus has one full credit toward graduation. A student that works four hours a week earns one-half credit per year, and would have two full credits toward graduation.

Once again the Senior and Junior girls have fulfilled the purpose of the Usher Club by giving their untiring services at sports activities, auditorium activities, the Band Festival, Baccalaureate and Commencement, as well as at city services.

All girls who would like to be members of the Usher Club submit their names at the beginning of the year to Mrs. Weaver, attend all meetings, and usher at the activities. The officers are then elected by the entire club of girls. This year's membership was confined to 25 members made up of both Junior and Senior girls. The Usher Club is entirely a service club and does not receive compensation or credits toward graduation for its services.

During the busy school year of 1950-51 the Usher Club was under the advisorship of Mrs.

Weaver. We elected Barbara Zelmer as our President and "Head Usher". Other officers were: Barbara Chilson, Vice President; Donna Albrecht, Secretary; Patt Clifford, Treasurer; Patsy Thompson, Reporter.

The uniforms consist of maroon corduroy jackets with white braid at the collars and cuffs. They are to be worn with white skirts.

Each year the club sponsors a dance to raise funds. These funds provide money for service pins to be presented to all the outstanding Senior girls in the club. This is determined by a point system of the number of times they have ushered for the various programs and activities for the organizations of the school and town.

JUNIOR-SENIOR PROM

The Junior-Senior Prom of 1950 took place in the Moccasin School gymnasium, Saturday the 20th of May at 9:00 p.m. After entering through a stone and seaweed shrouded doorway, the theme "50 Fathoms Deep" struck the right note for the rest of the under-water decorations. Fish, sea-horses, and an octopus floated on the walls and curtains of the gymnasium, while seaweed and sea-plants were there on the walls to keep an eye on things.

The stage, from which the smooth music of Bobby Morris's band came, was disguised by sea-spray, and on each side were large pirate treasure chests laden with gold. The lighting of red-blue gave a deep under-sea effect. This effect was helped along by a color-wheel suspended from the gym ceiling.

Mermaids checked coats and handed out dance

cards while pirates presided over the punch bowl and cookies. Ten o'clock brought the Grand March, and as the assemblage halted from the last maneuver, a picture was snapped. At 12:00 p.m. the 200 dancers departed for home after an evening filled with laughter and fun.

The people who were responsible for this successful prom were: Marilyn Hewitt, decoration chairman; Janis Fenn, program chairman; Jack Runyan, refreshment chairman; and the whole Junior class for the help in assembling the decorations. Also, without the untiring help of John Elbers and Martha Lyons, Junior class advisors, the prom would not have been possible.

JUNIOR PLAY

The night of November 17, 1950 was the night chosen by the Juniors for their presentation of "The Bees and The Flowers". The two act comedy was directed by Mr. John Elbers. Assistant director and prompters were Gerrie Hubbard, Joanne Proud, and Rita Rotzien respectively.

As the curtain rose, the audience found Louise Morgan (Patt Quinn) just returning from Mexico with her new husband, Tack Cooper (Jerry Pierce). Unknown to her three daughters, Tess, 16, (Cathy Crawford), Ilka, 14, (Jean Borland), and Alix, 12, (Lois Henson), she had divorced their newscaster father, who was idolized by his children, and had married Tack in Mexico.

Scheming to get rid of Tack, Tess pretends to be in love with him, meanwhile Ilka makes a play for Winston Atchinson (Milton Houghtaling), Tess's college boyfriend. During the course of the

play Ilka wrangles a date from Winston for the Sophomore prom at Columbia College. That same night Tack takes Tess out accompanied by Tom (Bill Hunt) and Jerry (Pat Kinser), two of Tess's friends.

In the meantime Alix, who likes Tack and wants him to stay, confers with Dippy Marshall (Jane Rizor), Alix's best friend, and decides on a play to keep Tack from leaving.

The play ends on a happy note. Tack and Louise enjoy their wedded bliss, Tess and Winston are happily reunited. Ilka has a "man and two horses" and Alix presides over all.

Also in the cast were Pat Clifford as maid and Victor Shafer as the deliveryman. The lighting and curtains were handled by Dick Mills.

The Dramatic Troupes

SENIOR PLAY

The Senior play cast very successfully presented "Love Is Too Much Trouble", a farce comedy in three acts, directed by Mr. Feldman.

The plot enfolds as Dr. Pillsy (Bob Beaver) threatens to close the "Poison Pot", the college hangout, owned by Toastey (Jane Samson). Joe (Don Smith) is in trouble for having given his botany professor a neutralization pill belonging to Oggy (Maynard Ewert), which put the professor to sleep. As a result Joe is forbidden to go to the prom. Pinky (Jack Bittinger) and Joe are in the throes of despair trying to figure out who should be a victim for their experiment when the prom bandleader, Cliff Hayward (Jerry Moulds) walks in. That is just the beginning of all the trouble. Monica (Marilyn Hewitt) talks too much at the wrong time causing Shirley (Gloria Schmaltz) and Sugar

Lou (Dolores Hines) to be furious. Toastie's customers drop like flies when they accidentally get some of Oggie's pills. Dean Ross (Jo Anne Russell) faints and Dr. Pillsy expells everyone.

Only when Mrs. Bates (Barbara Chilson) praises the school and offers a financial donation does Dr. Pillsy relent. The world again turns right side up for everyone. Joe is in a tailspin — over Monica; Sugar Lou is buzzing around Oggy; and Pinky sees Connie (Dora Lee Kohn) in a new light. Ebb (Barbara Zelmer) and her sister Flo (Donna Albrecht) add laughter to the dialogue.

Lee Roti acted as business manager while Kathleen Hubbard was in charge of stage props. Fred Altergott was a very capable stage manager with Mary Van Antwerp as his assistant.

ORCHESTRA

Last fall the fifty-six members of the band were kept very busy marching before and during the half of all home football games. We traveled to other towns during the football season to present clever stunts for the fans. Buchanan played host for the Annual Festival of the Southwestern Michigan Band and Orchestra Association which was held at Memorial Field. Our snappy band was honored with a superior rating. After marching season, we changed from the snappy cadence of the drums to the lovely melodies of the concert season and the annual review.

The stage setting of the review was a romantic South Pacific isle where balmy breezes swayed the palm trees while native music and dancing girls formed the entertainment. The music of "South Pacific", a current Broadway musical hit, provided

the background. The band played the "South Pacific Overture". Several selections from this show were sung by the glee club. The girls' quartette, composed of Patt Quinn, Marilyn Hewitt, Gerrie Hubbard, and Catherine Crawford, soloists, Lois Henson and Connie Converse, and the dancing chorus of hula girls were highlights of the program. The band also played "Rhapsody in Blue" and two jazz numbers, complete with sound effects. The last stirring number was the "Battle Hymn of the Republic" by band and glee club.

The glee club participated in the annual festival at St. Joseph joining with a chorus of seven hundred voices from the high school glee clubs of Berrien County. The glee club also combined with the orchestra to make the stirring marches played at Baccalaureate and Commencement memorable.

The band, glee club and, and orchestra profited greatly and fully enjoyed the year under the able direction of Ralph R. Robinson, head of the high school music department.

Successful Run Is Awarded

As graduation grows near, there are many activities and events to fill the students' lives, but the most-awaited event, outside of graduation, is Honor Convocation. On this day honors and awards are given out and received. The pride that fills each recipient's being is not pride of the honor bestowed, but more of the established goal that each has reached.

To continue one of the oldest traditions of Buchanan High School, the Velmarian Literary Society sponsored a literary contest in the fields of essay, short story, and poetry. The awards were arranged into the following groups:

Seventh and eight grades: Short story

First Sharon Forthman
Honorable Mention Sally Schultz

Ninth and tenth grades: Short story

First Joanne Forthman
Honorable Mention Richard Beistle
Essay—First Joanne Merrifield
Honorable Mention Joanne Forthman
Poetry—First Corbin Detgen
Honorable Mention Dan Smith

Eleventh and twelfth grades: Short story

First Dora Lee Kohn
Honorable Mention Milton Converse
Essay—First Milton Converse
Honorable Mention Milton Houghtaling
Poetry—First Sheila Marrs
Honorable Mention Marilyn Hewitt

The Velma E. Dunbar Award went to Sheila Marrs, who, according to the judges showed the most creative ability in her work in the upper four grades. She was presented with a loving cup for her own possession.

The Latin awards were presented by Mrs. Weaver. These awards are based on the following qualities displayed by the pupils: Language skill, completion of work, and co-operation within the class. The winner of first place was Lestra Hanlin, second place Janet Beck, third place Richard Beistle.

The Daughters of the American Revolution present an award each year to a Senior girl who is considered outstanding as to patriotism, dependability, leadership, and scholarship. A history award is also given by them to a Senior student excelling in the subject of U. S. history. These

were both presented to Dora Lee Kohn by Mr. Elbers.

The Bausch Lomb Science Award was presented by Marilyn Hewitt to Lee Roti for scientific achievements in physics and chemistry.

The Buckhorn awards for excellent work as Editor-in-Chief and news Editor were presented by Miss Hargis to Nancy Dokey and Lee Roti, respectively.

The following were sent to Wolverine Boys State: Gordon Cease, Milton Converse, Phillip Pennell, Dick Swem, and Ralph Mitchell, alternate.

Each year, the Castle's Civic Ability Award is presented to the student of the highest rank in citizenship, scholarship, dependability, improvement, and extra curricular activities. The recipient of this award was Kathleen Hubbard.

Western Michigan College and Michigan State College awarded scholarships to Dora Lee Kohn and Gerald Moulds, respectively.

Mr. Robinson presented band pins to seniors who gave outstanding service to the band during their senior year. The following received pins: Kathleen Hubbard, Janis Fenn, JoAnne Russell, and Dora Lee Kohn.

The G.A.A. award, given to the senior who contributed most to the G.A.A., was presented to Frankie Lowery Shirley. The presentation was made by Jane Rizer, president of the organization.

Delia Canfield was selected to go to Wolverine Girls State by the American Legion Auxiliary. Joanne Proud is the alternate.

The American Legion Citizenship Award for honesty, capability, dependability, leadership, and civic pride for eighth grade students was presented to Lee Fisher and Sharon Forthman.

The honored library award, given to the outstanding senior who contributed the most service to the Library Club as assistant librarian in the past year was given to Dorene Weaver.

After participating in one debate, a member of the Debate Club is eligible for a certificate given by a state-wide organization. This year, certificates were presented by Mr. Feldman to Gordon Cease, Bill Hunt, Milton Houghtaling, Raymond Howe, and Ralph Mitchell.

The Optimists presented the American Government Award to Dora Lee Kohn for scholarship, leadership, and service.

A year's subscription to the Readers Digest was given to this year's Valedictorian, Dora Lee Kohn.

The Senior students who attained an average of B or better during their four years of High School received scholarship medals. These students were: Valedictorian, Dora Lee Kohn; Salutatorians, Lee Roti and Charlene Nehring; Honor Students, Barbara Chilson, Kathryn Fagras, Janis Fenn, Marilyn Hewitt, Vivian Huston, Donald Mitchell, Gerald Moulds, Frankie Lowery Shirley, Dorene Weaver, Betty Womack.

The Buchanan Bucks, holding a record of three consecutive championship titles, a feat which no other team in the history of the Big Seven has accomplished, looked forward to the third straight defense of their crown with grim restlessness and a realization that the 1950 grid race would be a tough one.

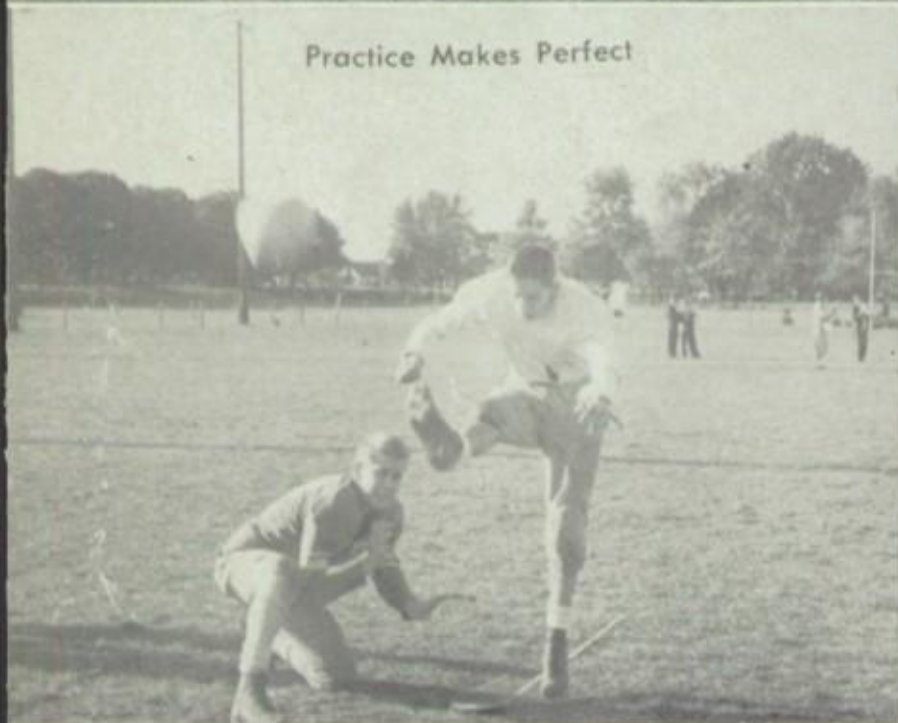

The Bucks opened the curtain on the new season at New Buffalo, where they dealt the Bisons a 26-0 whitewash in a non-conference battle. The Maroon and White gridmen continued on the glory road as they encountered the State High Cubs for the season's first Big Seven engagement, returning home with an impressive 33-0 victory tucked under their belts. The Millermen played roles of hosts as they returned to their home stamping grounds to greet the South Haven Rams. The Rams displaying a heavy, experienced line and using a single wing looked as if they were going to walk off with the contest, but the Bucks came from behind to whip the stubborn South Haven eleven 18-7. The victory was the second registered by the Bucks in conference play and put them in the thick of the race. The Three Rivers Wildcats invaded Memorial Field the following week and knocked The Bucks from the league lead in a thrilling 19-12 knock-down, drag-out battle. The Bucks were pre-

pared for the next game as they played host to the Bangor Vikings. The "Bucktowners" displayed their scoring punch as they smothered the invaders 56-7. Next the Buck huskies traveled to neighboring Niles where they met the top ranking Vikings. The Nilesites were resting on top of the conference standings, and up to this time they were unscored upon, but the Bucks quickly threw a scare into the Viking rooters as they took an early 7-0 lead. However, The Buchananites' attack faltered, and the lead was short-lived as they proceeded to drop their second decision of the year 20-7. Dowagiac came to town to close the football season on Memorial Field in the Buck's final home game. The always-tough-Chieftains lived up to their tradition by playing their best game against the Bucks. The Chief's took a 6-0 lead in the first quarter and held on to it impresively through the first half. But the Buchanan eleven began to roll after the intermission as they hit pay dirt for a 27-6 victory. The Bucks then traveled to St. Joseph to meet the Bears in the final game of the grid season. After twenty-eight straight contests the Buchanan club was finally whitewashed; this trick was turned by the Bears as they sent the Bucks home on the short end of a 19-0 score.

When the 1950-51 basketball season rolled around, Coach Lester Miller found himself with only two returning lettermen and a host of young candidates. After a few days the squad was cut and the boys prepared for the long stretch that was ahead of them.

Soon the opening game arrived. The Bucks had to open the cage season at State High where the young, inexperienced Buchanan club succumbed to a 30-22 score. The following week the Bucks continued on the road to South Haven where they met the Rams and were again forced to accept defeat 47-30. The Dowagiac Chieftains invaded the local court a week later and dealt our boys their third set back in the way of a 38-18 score. Before the Christmas holiday the Maroon and White cagers ventured to St. Joseph where the Bears handed them a 56-37 licking. Following the vacation period the Bucks played host to a highly rated Three Rivers club. Although the Bucks lost 55-38 they played their best game of the season and gave the Wildcats quite a run for their money. Next the Buchanan club donned their traveling garb and engaged the Class C school of Berrien Springs in a non-conference contest. The Bucks were sent home on the short end of a 74-45 score. The following week the Buck cagers visited our neighbor, Niles, and were belted to the tune of 74-38, thereby absorbing the seventh consecutive defeat and ending the first round of conference play.

The State High Cubs from Kalamazoo invaded the locals home grounds to start the second half of league play, and found to their dismay that although the Bucks were on the bottom of the heap in conference standings they still had plenty of fighting spirit. When the final echo had died away the Bucks had tucked a 39-36 victory under their belts. The South Haven Rams played the visitors' role in the Bucks' next tilt, and a thrilling battle resulted, but the Bucks fell in the waning moments, giving the Rams a 41-31 decision. The "Buck-towners" then proceeded to Dowagiac and the Chiefs treated them like long lost cousins sending them home on the tail end of a 73-44 score. Berrien Springs then engaged the Bucks in a non-conference battle on the latters home court. The Buchanan club hit their highest total of the season, but the red hot Shamrocks pounded the nets just a little harder to gain a 61-50 decision. The drowning Bucks then journeyed to Three Rivers where they absorbed the worst drubbing of the cage season — 87-41. Next the Maroon and White returned home to meet St. Joseph, and were forced to yield to the Bears 71-30. The "Millermen" played host to the Vikings from Niles in the conference final, and were trounced to the tune of 63-24.

When the final tournament rolled around, the Bucks drew the always tough St. Joe five, and were soundly routed.

INTRAMURAL SPORTS

Bad weather brought an abrupt close to the first season of intramural football at Buchanan High. The "Little Sparks", captained by Howard Quick, were crowned champs of the six team league. Runnerup honors were captured by Tony Rosetto's all-senior team, which compiled a record of four victories and one loss.

The Seniors' intramural basketball team completed the intramural cage season undefeated, to

claim top honors. The Seniors, with captain Harold Luhrsen at the helm, breezed through their hoop campaign with almost no opposition.

The one-day inter-class track meet, held last spring, resulted in a mild upset, as the Juniors edged out the Seniors in a heated battle for the crown.

The Girls' Athletic Association, under the supervision and with the companionship of Mrs. Kingsbury and the officers: President—Jane Rizer, Vice President—Kathleen Hubbard, Secretary—Rita Rotzien, Treasurer—Barbara Chilson, Parliamentarian—Patt Quinn, and Reporter — Nancy Lozicki, enjoyed a very successful and happy year at B.H.S.

One outside activity a month was participated in besides the regular softball, speedball, volleyball, and basketball tournaments. Some of the activities engaged in were swimming, hiking, roller skating, tobogganing, overnights, and a basketball playday.

The money which was received from the football and basketball concessions was used to buy frames

for the Senior pictures in the lower halls.

A point system is used for the G.A.A. members who participate in the activities. A G.A.A. pin is earned by acquiring 400 points, 800 points earns a G.A.A. ring, 1200 points a G.A.A. bracelet, 1600 points a G.A.A. pendant and sterling silver chain. Each year a small loving cup is awarded to the outstanding Senior member of G.A.A. The cup is awarded on the basis of sportsmanship, understanding, and cooperation. A large cup is kept in the trophy case with the name of each girl who has received this award.

The baseball team of 1950 showed great promise with eleven lettermen returning to the team. The season started with the Bucks facing the mighty St. Joe Bears on the B.H.S. diamond on April 14. The Bucks' defense was hampered by five errors, which resulted in a 6-1 score in favor of St. Joe. The next game was with the well seasoned State High Cubs. The Bucks used five pitchers only to be plagued by eleven errors. The Bucks took a sad 24-6 defeat.

The South Haven Rams then came visiting the Bucks' lair. Behind the pitching of Bill Hess and George Vincent, the Bucks finished on the short end

of a 2-1 score. The Bucks then traveled to Three Rivers. The might of the Buck squad showed itself in a 4-1 victory.

The now highly hopeful Buck squad next met the old rival, Niles, on the Bucks' diamond. The Niles Vikings showed power all through the game. The Bucks took a very sad 20-1 defeat. The Dowagiac Chiefs were the next opponents of the Buck squad. The game was postponed because of rain, and it never was played. The Bucks, even though making a poor showing in 1950, have great hopes for the future baseball teams of Buchanan High.
